SUPPLEMENTAL RESPONSE TO FIRST OFFICE ACTION

Dear Examiner Boutah:

The response to the March 3, 2003 Office Action was inadvertently mailed yesterday (June 2, 2003) without the replacement drawing figure, FIG. 11. I phoned you today and you cordially indicated that I may submit the missing figure with this supplemental response.

Accordingly, submitted herewith is the replacement figure having the desired changes, without markings, in compliance with 37 C.F.R. § 1.84. The figure number in the amended drawing is not labeled as "amended." The changes are explained in the remarks section of the June 2 Response, but are also reproduced below in italics for ease of reference:
